President, District Board,
Kanara District.

To,

C.Venkata Rao, B.A.(Hons.), I.C.S.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department, Bangalore.

Sir,

I have the honour to state that the Government were, in their order No. 2703-4/L.B.44-12 dated 6th October 1919, pleased to direct that the road to connect Hongeri with Tavarekere be constructed, from Talakalli, at State expense and handed over to the District Board as a whole. The Executive Engineer Bangalore Division intimated (Vide his letter No.1160 dated 17th December 1921 a copy of which is herein enclosed) that a length of 3 miles in this road, from Hongeri as far as Talakalli, had been completed and requested that an annual allotment of Rs.75/- per mile be made out of District Funds as the opening of the road for the remaining length had been held in abeyance for want of funds. The question came up for discussion before the District Board at their meeting held on the 4th March 1922, and a copy of their resolution is herewith submitted.

2. In this connection, I beg to state that the District Board originally agreed to maintain the road only after it was completed and not piece meal as proposed by the Executive Engineer, as the road would be useful to the public only after it was completed up to Tavarekere; but in view of the fact that the work already carried out would deteriorate, if not properly maintained, the Board have agreed to provide the maintenance charge proposed by the Executive Engineer, but they wished to urge for the early completion of the work. I request therefore that the Government may be pleased to accord sanction to an annual allotment of Rs.225/-(at Rs.75/- per mile for 3 miles) being made for the present on account of this road and to issue instructions to the Public Works Department to take up the remaining work and complete the same as early as possible.

Letter No.1163 dated 19th December 1921 from the Executive Engineer, Bangalore Division, Bangalore, to the President, District Board, Bangalore District.

OPENING OUT ROAD FROM RAMOHALLI TO THAVEREKERE.

I have the honor to inform you that this work has been complet to a length of 3 miles and the road is ready, and to request you to kindly arrange to maintain this portion of the road in future.

An allotment of Rs.75/- per mile may be made in the Budget grant of District Funds, from next year for its maintenance if th money now spent for opening the same is to be made useful.

The opening of the road for the remaining length has been held in abeyance for want of funds.

Subject No.8. Read Bangalore Division Executive Engineer's No.1163 dated 17th December 1921, intimating that a length of 3 miles in the proposed road from Kengeri to Tavarekere as far as Ramohalli has been completed and requesting that this length might be maintained at an annual allotment of Rs.75/- per mile.

Resolution:- In the circumstances of the case, the Board resolve to provide for the maintenance charges as proposed by the Executive Engineer. But they desire to impress the fact that the road will be useful only if the whole length up to Tavarekere is completed and therefore press for its being taken up early and completed.
